RE: **Boeing 737-300 MSN 24676 LN-KKM - RVSM, FM Immunity and 8.33 Spacing Statements**

This is to certify that Norwegian Air Shuttle and the Aircraft as above is approved for RVSM Operations and complies with 8.33 channel spacing and Immunity.

The above aircraft has been in operation with Norwegian Air Shuttle since April 2003 until the lease return in October 2014.

Best Regards,

Hans Jacob Wold
Project Manager Norwegian Air
Shuttle ASA
